

To Our International Patients: Proposal for the Japan Regenerative Medicine and Wellness Program ~ Providing cutting-edge Japanese medical care to patients around the world. ~

Japan is recognized as a world leader in medical safety, technological expertise, and reliability.

In the field of regenerative medicine in particular, patients can receive treatment with peace of mind thanks to advanced technology and strict quality control systems.

To ensure that international patients can receive treatment in Japan with confidence, we provide comprehensive support—from initial consultations to post-treatment follow-up after their return home.

[Why Choose Japanese Healthcare?]

- World-class medical standards
- Strict safety management and quality standards
- Treatment by experienced and meticulous physicians
- Excellent patient care from physicians and medical staff
- A clean and reassuring medical environment

For patients seeking treatment with peace of mind, Japan is one of the best options available.

[What Is Regenerative Medicine?]

Regenerative medicine is a cutting-edge treatment that promotes the repair and regeneration of damaged cells and tissues. In Japan, regenerative treatments are performed safely at medical institutions under the supervision of a physician. It is utilized in the following fields:

■ Before Travel

- Arrangement of online medical consultations
- Recommendations for medical facilities that meet the patient's needs
- Advance explanation of treatment details and costs
- Visa acquisition and travel support

■ During Stay in Japan

- General support during the stay
- Follow-up regarding treatment progress
- Airport transfers and private car arrangements
- Arrangement of medical interpreters
- Medical appointment scheduling and schedule management
- Hotel arrangements

■ Post-Treatment

- General follow-up before and after returning home
- Online monitoring of the patient's condition and medical support to the extent possible
- Guidance on follow-up treatment

■ Post-Treatment Sightseeing Arrangements

The sightseeing period can also be considered a period of post-treatment follow-up.

- General support during sightseeing
- Tourism arrangements and escort services
- Arrangement of luxury hotels
- On-site interpreters
- Accompaniment for meals, shopping, and sightseeing
- Support for family members
- Privacy management

[Our Strengths]

We are more than just a medical tourism company; we serve as your medical partner.

- Over 15 years of experience in the medical industry: We provide medical consulting services, sell medical devices and supplies, offer medical staffing services, and handle the design and planning of medical facilities.
- Overseas medical network (Asia, Middle East, Africa)
- Strong partnerships with medical institutions in Japan

⇒ **We have a large number of registered medical institutions. This allows us to recommend the most appropriate medical facility for your specific condition.**

■ We handle medical tourism for a wide range of conditions, not just regenerative medicine, so please feel free to consult with us about your specific medical condition.

[About Our Partner Medical Institutions]

We have partner institutions in various regions, including Tokyo, Kanagawa, Chiba, Saitama, Aichi, Osaka, Hokkaido, and Fukuoka. Please contact us if you would like more detailed information.

[Treatment and Tourism Process]

- STEP1** : Inquire
- STEP2** : Preliminary Online Medical Consultation
(If you are considering tourism, we will discuss your travel plans.)
- STEP3** : Treatment Plan Proposal and Quote
- STEP4** : Arrival in Japan and Stay
- STEP5** : Treatment
- STEP6** : Sightseeing
- STEP7** : Return Home and Post-Treatment Follow-Up

[Estimated Costs]

Costs vary depending on the treatment, so we will provide a quote after discussing your specific treatment requests in advance. In principle, no additional fees will be charged unless there are changes to the treatment plan from the initial agreement. Additionally, we will provide a separate quote for sightseeing. We will explain our payment and refund policies in detail.
